

Problem Statement

This event will comprise two rounds. Participants could take part individually or in a team of 2. In the first round, participants will have to submit a PPT on an Astronomy, Astrophysics related project that they may or may not have worked on. The second round will consist of presenting the project and other features about it.

Timeline

For First round :-

- Participants have to submit the project's PPT 5 hours before the commencement of the event.

For Second round :-

- Selected participants must be present at the specified online meet room 5 minutes before the commencement of the event.
- Each participant will be given 10 minutes in the project presentation round.
- 5 minutes are allotted for questions from the audience and judges.

Judging Criteria (100 Marks)

- -5 for each minute exceeded over the given time limit.
- Depth of Content includes accuracy of information, importance of the topic, applications of the topic.
- Organisation includes clarity, logic, planning, easy to follow line of reasoning.
- Ease of Language includes explanations about the topic.

For First round :-

Criteria	Marks
Knowledge about the topic	15
Ease of Language	5

For Second round :-

Criteria	Marks
Depth of Content	20
Organization	20
Knowledge of Presenter	20
Stage Presence and Overall Impact	20

Rules and Regulations

For First round :-

- Participants are expected to prepare a PPT. Based on their PPT, top teams would be allowed to qualify for the second round.

For Second round :-

- A signal will be given at the beginning of the oral presentation. A first warning signal will be given halfway through the presentation period. A second warning signal will be given two minutes prior to the end of the presentation period. Finally, a stop signal will be given at the end of the presentation period. We may use a chat box during the meet for a warning signal.
- Organizers reserve the right to modify rules at any point in time, with intimation to registered participants.
- If any contestant is not present at the time of his/her presentation, the next contestant in the schedule shall present. The skipped contestant will be allowed to present after all other scheduled contestants have presented.

In case of changes about the rules of the event, it would be notified to the participants before the event.
